PVSC's Education Outreach Program March School Schedule

NEWARK – The Passaic Valley Sewerage Commissioners' (PVSC) *Education Outreach Program* has 16 school visits planned for the month of March, delivering PVSC's environmental curriculum to over 3,400 students in 12 municipalities. Thus far this year, the program has visited 84 schools, reaching over 15,000 students.

PVSC's Education Outreach Program offers a free environmental education presentation – available to public and private schools in the 48 municipalities served by PVSC – which describes aspects of PVSC's *River Restoration Program*, how students' everyday actions affect the environment, and ways students can volunteer to help keep their communities clean. The program is provided to students in grades K-12 and is tailored to be age appropriate in four separate demonstrations.

Below is the Education Outreach schedule for March 2010. Members of the media wishing to attend a presentation should contact Christopher Brooks at 973-344-1800.
