## **PVSC’s Education Outreach Program May School Schedule**

**NEWARK** – The Passaic Valley Sewerage Commissioners’ (PVSC) *Education Outreach Program* continues for the 2008-2009 school year, with eight school visits planned for the month of May reaching over 1,000 students in five municipalities. The program will also take part in the 3-day *Cleaner and Greener* Program in Newark from May 19-21.

This school year, the program has visited 108 schools, reaching nearly 24,000 students.

PVSC’s Education Outreach Program offers a free environmental education presentation – available to public and private schools in the 48 municipalities served by PVSC – which describes aspects of PVSC’s *River Restoration Program*, how students’ everyday actions affect the environment, and ways students can volunteer to help keep their communities clean. The program is provided to students in grades 3-12 and is tailored to be age appropriate.

Below is the Education Outreach schedule for May. Members of the media wishing to attend a presentation should contact Christopher Brooks at 973-344-1800.

DATE	SCHOOL	GRADES	STUDENTS	TIME	ADDRESS
